## Supporting Your Employment

### What are Disability Employment Services?

- A job matching service for people looking for work
- Training and work experience to support you into employment
- Support in the workplace for as long as you need it
- A free service, funded by Government

### Disability Employment Services can:

Help me to  
choose, get and  
keep a job

Assist me to write  
job applications

Support me to  
create a resume

Tailor services  
to suit my  
preferences

Remove barriers  
to employment

Understand what  
motivates me

Promote my skills  
to employers

Support me in the  
workplace

Disability Employment Services have  
matched **131,000 jobs** since 1 March 2010
